

Information for References:

Thank you for providing a reference for the CISV Vancouver program being applied for this summer.

CISV is an international program that fosters peace through friendship and cross cultural awareness. (Our website at www.cisvvancouver.com provides a much more detailed description). Delegations consist of an equal number of boys and girls of the same age and an adult leader aged 21 or over. CISV camps usually consist of delegations from several countries. Delegates to this multilingual and multicultural experience participate in a mix of educational, cultural and sporting activities, which emphasizes cooperative global and intercultural living. It's an amazing experience!

We are selecting delegations from CISV Vancouver to travel a CISV International Program. We would appreciate your assistance in completing the attached reference form. Once complete, please return it to the applicant in a sealed envelope with your signature across the seal. Alternately, you can mail it directly to:
