Selection Requirements

Paid Membership for 2018

Mini Camp Attendance Required

- Applicants must have attended at least one local mini-camp in the last 12 months before applying for a travel delegate position.

Application

A complete application must be received by the application deadline to be considered. A complete application consists of:

- Completion of the online Korelo application form and payment of the \$35 application fee.
- The applicant questionnaire, with both applicant and parent sections completed and signed.
- A recent photo of the applicant
- A copy of the applicant's birth certificate.

References should not be family members and should be able to comment on the applicant in a setting of his/her peers. Coaches and teachers are ideal.

Time Commitment

- If you are selected as a delegate, there is a significant time commitment required leading up to the departure for the program. Delegates and parents need to make themselves available for pre-camp preparation meetings and other related tasks. This means making CISV a priority so as to enable your child and the whole delegation to have a successful experience. After completion of your program, delegates will be expected to share their skills by participating in local CISV activities and Junior Branch functions.
- CISV Vancouver is a volunteer run organization and adults from all member families are expected to contribute volunteer service throughout the year. Specific volunteer tasks and roles will be advertised on our website or via the group email list. Please ensure that you are signed up for the email distribution list on our website so that you stay informed of activities and announcements relating to CISV Vancouver.

Costs:

1. Program fees are \$623. This covers the fees charged by all levels of CISV (local, national and international), as well as comprehensive insurance coverage and CISV travel outfit. All program fees must be paid in full before departure or your child may not be permitted to travel with his/her delegation. Fees will still be payable as we are obligated to pay the other levels of CISV, even if your child does not travel.

2. Other costs include:

- **Air fare and other travel costs for delegate**
