

Information for References:

Thank you for providing a reference for the CISV International camp being applied for.

CISV is an international program that fosters peace through friendship and cross cultural awareness. (Our website at www.cisvvancouver.com provides a much more detailed description). Delegations consist of 1, 4 or 6 Youth. CISV Programs can also consist of delegations from ten or twelve countries. Delegates to this multilingual and multicultural experience participate in a mix of educational, cultural and sporting activities, which emphasizes cooperative global and intercultural living. It's an amazing experience!

We are selecting delegations from CISV Vancouver to travel to camps in summer and winter of 2019. We would appreciate your assistance in completing the attached reference form. Once complete, please email directly to:

programming.cisvvancouver@gmail.com

We appreciate your assistance in the task of choosing well matched delegations!

Thank you,

CISVVancouver Programming Committee
